

CORRECT

QUESTION: A player whilst taking a mark, 2 seconds prior to the siren, is accidentally contacted high by his team mate causing a blood nose. Is he able to take his kick after the siren? What is your decision?

22.7 page 68 of AFL Laws of the Game

SPECIAL CIRCUMSTANCES AT THE END OF A QUARTER

A Player awarded a Mark or Free Kick may Kick the football after the field Umpire has signalled that play has come to an end, even though the Player is at that time Actively Bleeding. However, this Law is subject to Law 16.6.
